ANNUAL INDEX

Volume 27: September 1981—May/June 1982

The yearly index to CO-ED and FORECAST for Home Economics, for teachers of CO-ED classrooms, appears regularly in the May/June issue of FORECAST.

NOTE: Letters indicate month (S-Sept., O-Oct., N-Nov., D-Dec., Ja-Jan., F-Feb., Mr-March, Ap-April, My-May, My/J-May/June). The first letter indicates the month, the number after the dash indicates the page number, and the letter after the page number means the article appears in FORECAST (F) or CO-ED (C). (GS) indicates that the item is a CO-ED "Get Smart" activity. This index does not include the June 1982 CO-ED.

Articles appearing in FORECAST are indexed in the Education Index. The material in CO-ED and FORECAST is on microfilm and is available through Xerox University Microfilms, Inc., 300 N. Zeeb Rd., Ann Arbor, MI 48106.
